EVENTS

International Yoga Day

International Yoga Day was observed on 21 June 2020. Students and faculty members participated in myriad activities organised by the Govt of India, Govt of UP and CBSE. Under the programme 'Yoga at Home, Yoga with Family' started by the Ministry of Ayush, students, staff and their family members practiced Yoga exercises in solidarity with the trainer led Yoga session which was broadcast live on television and YouTube at 7 am. Later videos and images of the Yoga practices done at home were uploaded on several social media platforms including Ayush Kavach App. CBSE in partnership with Fit India Mission also organised a special live session in the evening with renowned fitness icon and Yoga practitioner Ms Shilpa Shetty. The session was watched by several students and faculty members. NCERT also started a month long online Quiz Competition on 21 June on the theme 'Yoga for Health and Harmony' in which the students shall be participating.

Online Certificate Programme by FDRC

Ms Neena Mathur, Principal and a few faculty members attended a three day Online Certificate Programme on 'School Modalities in Implementing Inclusive Education' organised by FDRC in collaboration with OP Jindal University from 16 to 18 June 2020. The range of topics also included Best Practices, Emotional Intelligence, Understanding subjective well-being, etc.

World Environment Day

World Environment Day was observed on 05 June 2020. NCC Cadets of the School planted saplings in their neighbourhood. Students also participated in Online Art Competition 'Mere Rango Se Meri Ganga' conducted by Atulya Ganga on this occasion. Atulya Ganga is an initiative by Army Veterans who are determined to keep Ganga clean.

Online Fit India Awareness Programme by CBSE

Mr Vinod Rawat & Mr Vinay Kumar, both PGT Physical Education, attended Online Fit India Awareness Programme by CBSE in collaboration with Sports Authority of India under the Khelo India National Fitness Programme for Schools in Online mode on 18 & 19 June 2020. The programme aims to train the PE and Sports staff of Schools across India on using the Khelo India Mobile Application (KIMA) and ensure uploading of students' assessment data on the App.

Online Training Session by Gurushala

Several faculty members including Academic Coordinators and HODs attended a two day online training session on 'Strategies of Teaching from Home' conducted by Gurushala specifically for teachers of Army Public Schools across India on 5 & 6 June 2020.

Australian Virtual Master Class Series for Professional Development

CBSE in collaboration with the Australian Trade and Investment Commission organised Australian Virtual Master Class Series for professional development of School Leaders from 15 to 23 June 2020. Ms Neena Mathur, Principal, Ms Sadhana Devi, Academic Coordinator, Mr R Verma, HOD Maths and a few more staff members attended several webinars. The topics included Digital and Social Media Strategies for Schools, Workplace Practices post the Covid 19 Crisis, Transformative career and Life Lessons from the pandemic etc.
